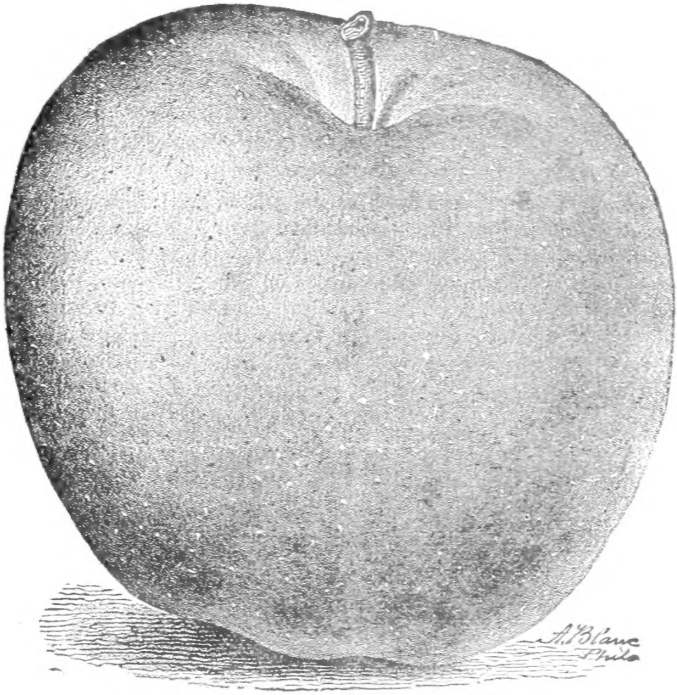
SANTA ROSA NURSERIES.

PRICE LIST FOR 1887 and '88,

OF

FRUIT AND NUT TREES,

AND PLANTS,



Grown and For Sale by

LUTHER BURBANK,

Santa Rosa, Sonoma County, Cal.

Post, Express and Telegraph Address, Santa Rosa. Branch Nursery at Sebastopol, seven miles west.

SANTA ROSA REPUBLICAN PRINT.

THE STOCK which I offer is grown with the greatest care on the best of roots and without irrigation. Everything has been allowed plenty of room, and the trees are short, stalky, and low-branched, and greatly superior to the tall, irrigated, overgrown trees, so often offered for sale. I feel perfectly safe in *warranting my trees free from scale insects*, as no one has ever been able to find them in or about my nurseries, and no one has ever complained that they had obtained them on trees from my nurseries.

☞ **SPECIAL EXPRESS RATES.** It is always better to have trees and plants shipped by express, unless the amount of stock ordered is large. The Wells, Fargo Express Company carry my trees and plants on all their lines at **Special Low Rates**; by this reduction packages weighing less than one hundred pounds are generally delivered anywhere in the United States, and often to foreign countries, for less than by freight, besides always going more safely and speedily.

ALL GOODS ARE CAREFULLY PACKED by experienced men, for which a charge only sufficient to cover cost of material and labor is made, and delivered in good condition to the forwarders, after which my responsibility ceases. All claims for errors in filling orders must be reported on receipt of stock; a system of double checking is employed by which mistakes in putting up orders are almost impossible. Always give your full name and address, and state how you wish the goods shipped. In case of loss or miscarriage everything in my power will be done for protection and recovery of my customers' goods.

FULL PLANTING DIRECTIONS were sent to all customers of last season; those who have not received a copy can obtain one by applying for it.

TERMS CASH. No goods will be shipped unless cash or satisfactory security accompanies the order. The prices quoted in my catalogue are CASH PRICES, my business and correspondence are too extensive and time too valuable to allow of any other plan.

Remittances may be made by bank drafts on San Francisco, postoffice orders, express, or registered letters.
